

# 2025 CAPABILITY STATEMENT

## COMPANY OVERVIEW

**Battery Bill's L.L.C.** has proudly served Hawaii for over four decades as a trusted supplier of batteries and portable power solutions. From automotive and marine applications to industrial systems and consumer electronics, we provide customers with reliable energy solutions backed by expert service. Our commitment extends beyond sales, offering installation, repair, and environmentally responsible battery recycling.

### CORE COMPETENCIES

- Automotive, marine, industrial, and consumer batteries
- Lithium and solar battery solutions
- Portable power station rentals
- Battery installation, repair, and testing
- Environmentally responsible recycling services
- Customer-focused sales and technical support

### WHY US?

- **Proven Experience:** Serving Hawaii since 1982 with over four decades of trusted service.
- **Local Expertise:** Family-owned and deeply rooted in the Hawaiian community.
- **Comprehensive Solutions:** Sales, installation, repair, and recycling – all under one roof.
- **Diverse Product Line:** From automotive and marine to lithium, solar, and portable power solutions.
- **Customer Commitment:** Knowledgeable, friendly staff dedicated to delivering the right battery every time.
- **Sustainability Focus:** Environmentally responsible recycling programs to protect Hawaii's future.

### PAST PERFORMANCE

- ✓ Over 40 years of continuous service as Hawaii's trusted battery retailer and service provider  
Longstanding supplier of automotive, marine, industrial, and consumer batteries to customers across the Hawaiian islands.
- ✓ Provided battery installation, repair, and recycling services  
To thousands of residential and commercial clients.
- ✓ Supported community sustainability initiatives  
Such as 808 Envirocyclor and Go Green ER  
Active participant in local events, including Cars & Coffee Hawaii, building strong community and business relationships.
